DISCLAIMER

Every attention is paid to ensure punctuality of trains as published in this Time Table as far practicable. It may be appreciated that there are many extraneous factors, not under the control of the Railway Administration e.g. tampering with tracks, signalling, Chain pulling apparatus, public agitations, law and order issues, inclement weather etc. which affect the Railway Operations adversely. These do have chain repercussions. The administration, hence, does not guarantee that the trains will always start or arrive at the time specified in the Time Table nor will they be accountable for any loss, inconvenience or injury that may arise from delays or detentions. The right to stop the trains at any station on the line, although not marked as a stopping station, is reserved. Every effort is made to inform the travelling public about unforeseen changes in schedules through Notice Board at station, Public Address System at Stations, Railway Enquiry System etc.

The inter Station distances shown in the Time Table are only indicative and may vary in certain cases with actual chargeable distances.

As such these can not be viewed as a part of contract between Indian Railways and Travelling Public. The Railway Administration disclaims liability for any inconvenience, expense or damage resulting from errors in this Time Table or from delayed/cancelled Trains.
